## Regina Photo Club Elections

The election of Regina Photo Club Directors will again take place at the Annual General Meeting on or before the first meeting in June 2006.

Director positions to be elected are:

1. President
  2. Vice-President
  3. Director, Competitions
  4. 1st Member-at-Large
  5. 2nd Member-at-Large
- Note: Positions 1, 2, 3 are two year terms. Positions 4 & 5 are one year terms.

We encourage members to step forward to maintain a strong and active photo club. Interested members may contact any member of the present executive for more information.

## Program Suggestions for 2006-07

Time is fast approaching for you as members to give some thought to what you would like to see on the club programs next year, 2006/07. If you have suggestions on programs, competitions, workshops and field trips, etc., pass this information to any executive member, either in person, telephone or e-mail.

## Saturday Morning Shoot

Members are invited to meet on the 3rd Saturday of each month 8:00 am at the Coliseum Restaurant, Victoria Square Mall. (They have a breakfast special for \$4.99 too and open at 7:30 am on Saturdays.)

RPC members can pick up entry and rules from regular meetings or download PDF's from the Group Of Ten Photography club web site.

## Transparency Battle 2006 Competition

The Saskatoon Camera Club will be hosting the annual Saskatchewan Transparency Battle on Sunday, April 30, 2006 in Saskatoon.

The Transparency Battle slide competition was initiated by the Saskatoon Camera Club in 1970 and has continued to the present. Several years later a trophy was created by Clare A. Hume for Saskatoon to be presented annually to the winning club. The Battle is usually hosted by the Saskatoon club, but has been hosted in past years by other clubs. It is a slide competition, open to all photography clubs in Saskatchewan.

### RPC In-club Deadline: March 7th, 2006.

Members may enter up to 3 -35mm transparency slides. Selected slides will be presented at the March 21st meeting.

For print and digital photographers, it is possible to have a slide duplicated from a digital file or negative films. There is no local service that has a high quality slide from digital images. This service is available from a lab in Toronto that makes slides from digital files. Information is available at:

<http://www.colourgenics.com/>

### Entry Guidelines:

1. Each club is entitled to enter eight slides.
2. Clubs with more than 30 paid-up members shall include only one slide from any individual member to make up the club entry.
3. Clubs with thirty or fewer members may determine how many slides an individual member may contribute to the club's entry.
4. Photographers who are members of more than one camera club may have a slide or slides included in the entry from only one of these clubs.
5. The entries maybe on any topic. No slide may have been entered in a previous Transparency Battle.
6. Every slide must be thumb spotted in the lower left corner when the slide is held in normal viewing position.
7. Every slide must have a definite title (Untitled #1 is not acceptable), the photographers name, and the name of the club printed on the slide.
8. Slides must be free of dust and smudges.
9. Slides shall be carefully packed to prevent damage in the mail.

10. A representative of each club shall be responsible for picking up their slides at the end of the program. Clubs which do not have a member present at the Battle will have their entry returned by the host club. Return postage shall be provided for this purpose by the club submitting the entry.

11. Judging will be by a panel of three persons appointed by the host club, but not members of the club. It is preferable they be local professional photographers, but if this is not possible, they maybe individuals known for their interest and skills in photography. Each judge will award every slide from 3 - 10 points for a possible total score of 30 points.

12. All entries will be handled with care. However, the host club will not assume any responsibility for any loss or damage to entries.

13. Awards:

(1) The *A. Clare Hume Transparency Battle Trophy* will be awarded for one year to the club with the highest total score.

(2) The *Best of Show* plaque will be awarded to the maker of the slide with the highest score.

(3) First, Second and Third place slide makers will be awarded a *Certificate of Achievement*.

(4) *Honourable Mention* Certificates will be awarded to makers of all other slides earning scores of 22 or more points.

14. Any slide receiving Honourable Mention or higher may be scanned for use in Transparency Battle promotional materials. Credit will be given to the photographer. Entry in the Transparency Battle implies consent for such use.

**Club Entry Deadline:** entries must be received in Saskatoon no later than Friday, April 7<sup>th</sup>. Entries will be sent to:

Saskatoon Camera Club  
c/o Emily Schindel  
507 Pehudoff Crescent  
Saskatoon, SK S7N 4J6

RPC members interested in attending should contact the Editor. The event will be held at the University of Saskatchewan Faculty Club just off College Drive, Saskatoon.

Registration is from 11:00 am - 12 noon followed by a buffet luncheon. Showing of all Battle entries starts at 1:15 pm. Presentation of awards will be from 3:15 pm. - 4:00 pm.

## Photo Tips

Understanding Digital Photography By Bryan Peterson ISBN 0-8174-3796-7 Amphoto Books is a great overview of the fundamentals of photography but with an emphasis on how to get the desired results and effects using digital techniques. For example he suggests using the "Cloudy " setting in White Balance for saturated / warmer colors when photographing landscapes especially in midday light.

## Announcements & For Sale

### Member Help Needed

The Executive is asking for club members to help with either set up before the club meeting or take down after the club meeting.

We especially need a few members to come forward and help volunteer with preparing coffee and tea. Marie and Dorothy have been doing this task for many years and I think we have lots of wonderful members who would gladly help out if they know what is needed.

If you are willing to help share with this task, please see Marie, who will show you the supplies, etc. Maybe we can create a schedule.

### Members in the News

**Brent Parkin received an honorable mention in the Great Saskatchewan Photo Contest - Snap It 2005 in the Towns and Cities category.**

### Sell Items on eBay

### Wayne's New Year' Resolution

As the old year ends it is only natural to think of the year ahead and make some plans!

One of Wayne's plan is to take the same picture 4 times, once in each season. He is proposing club members do this as a club project and have them judged by the membership at the xmas meeting. Wayne Gilmer

The RPC Executive has endorsed this proposal at the January 31st Executive meeting. Each member is encouraged to take one photo of the same subject(s) in winter, spring, summer, and fall. More than one series is acceptable.
