THE EDITORS ~~WORD~~ LAST

School is out and from our deck, I can hear the laughter and excitement of children at the Fort Qu'Appelle beach on Echo Lake, about a kilometre away. I am doing last minute additions to the f-16 on the last day of June.

Your new club executive has been busy with planning for the next season program. Incoming President, Brent Parkin has already sent out an electronic questionnaire for member feedback. This information will be helpful in the planning of the 2006/07 program year. Over the next few weeks the entire executive, along with several club members will be meeting to map the program activities, competitions, workshops and some field trips. As always, the challenge is to provide a balanced program that will meet the needs of the entire

membership.

Although not final at this stage, we plan to have a few more evenings booked for more hands-on workshops for members to develop a variety of photography skills.

With the rapid growth of digital photography, clubs must address the issues of melding film based and digital photography programs for its' members. Photography clubs that are growing, accept the new age of digital technology.

For photography clubs to survive and grow, they must also develop programs that will interest our youth. A huge step in this direction is planned with our 2nd Member-at-Large (Youth member Jennifer Smith) leading a field trip with present club youth members and an invitation to some of the Regina school photo clubs. Today's youth are tomorrow's leaders.

We want to see you next September, so have a safe fun filled summer. Good shooting!!

First Annual 2006 Amateur Photo Competition and Show Hosted by Group of Ten Photography Club

The Group of Ten Photography Club organised in September, 2005 with members from around Assiniboia, Limerick, Rock Glen, Gravelbourg, Kincaid, Willow Bunch and Hazenmore areas. GOTP President, Bo Ruzicka from Limerick undertook the ambitious task of forming not only a new photography club, but also was actively behind the Amateur Photo Competition and show. Their members vary in ages with skill levels from beginners to experienced.

Club meetings are held every Wednesday from September through June at Limerick School. Four members, Wanda Knoss, Kelly Reid-Ward, Jerry Mayo, and Albert Lavallee are members of both the GPTP and RPC clubs.

The photo competition was held at the new Shumiak Art Gallery from April 25th - 30th. The GOTP club had an excellent response for the first competition with 189 entries.

Several Regina Photo Club members entered the competition with a number of winnings.
